

Student Pick-up & Drop-off Expectations

To ensure our AM drop-off and PM pick-up procedures at FCJH efficient and safe we require all car-riders to follow the following expectations.

- Students will begin the unloading process at 7:45 AM. Car-riders will enter the foyer at **Door 7** and proceed directly to the cafeteria if they are eating breakfast. If not, they will report to the main gymnasium. Students will be dismissed at 8:05 to the academic area of FCJH.
 - Please make sure your vehicle has completely pulled forward to the car in front of you making sure the entire **LOADING ZONE** is filled.
 - Students **must** exit curbside.
 - Students will only be dropped off in the coned area. Please do not drop-off in the parking lot or before the coned area (see map).
 - Please obey the school speed limit and all traffic laws when on school grounds.
 - Please do not block crosswalks, and show caution to all pedestrians in the drop-off and parking lot areas.
 - All buses have the right of way.
 - Please obey the directions and requests of all traffic monitors who are directing traffic. Safety is our number one priority.
- Please be safe and avoid any distraction when entering school grounds. Texting, eating breakfast, talking on the phone and other distractions put the safety of our students and staff in jeopardy.
- The same traffic flow (and procedures) will be utilized for afternoon **PICK-UP**. Car-riders will be held in their last period class until the buses in the bus lot start rolling.
